# Focus 1

- Less focus on platform?

Biodiversity  
Genomics  
Europe

Biodiversity  
Knowledge  
Hub

Swiss Institute of  
Bioinformatics

**GBIF**

Global Biodiversity  
Information Facility

## Focus 1

- Increase focus on training materials, competences & needs
- More feedback needed
  - What do we need to know?
    - Who dispense DNA barcoding/eDNA knowledge in Europe?
    - Biodiversity genomics?
  - Survey distribution strategy (when, how?)
  - Post-survey strategy (who, how?)

## Focus 2

- Not only about addressing needs but producing state-of-the-art courses
  - “Cutting-edge ideas” teaching modules
  - Identify relevant leaders in their field (priority ECR?)
  - Fill in suggestions in spreadsheet
